

# The Early Bird gets to save 7% !

In order to allow members to save at least 7% prior to the introduction of HST in July this year, we are offering the following Early Bird promotion on 2010/11 dues:

Pay your 2010/11 dues, by cheque, by April 30, 2010 and we will renew your membership at last years rates!

These rates were as follows:

Full membership - \$530 including GST;

Doubles and Restricted Singles - \$400 including GST;

Young Adult (19-26 years of age) - \$350 including GST;

Junior (under 19 years of age) - \$130 including GST;

Golden (age 60+, 10 years as Full member) - \$340 including GST;

Inactive - \$32 including GST;

Membership rates for 2010/11 will not be set by next years Board of Directors until July 2010 , but we do know that they won't go down, and we do know that they will be subject to HST which will effectively increase them by approximately 7%; so renew now and lock in at last years rate!

In order to participate in this offer YOU MUST DELIVER A CHEQUE, made payable to Evergreen Squash Club, to the Membership Mail slot in the wall of the stairs, BY MIDNIGHT APRIL 30<sup>th</sup>, 2010. Cheques received after this time, or post dated, will be returned to the issuer.

Members who take advantage of this offer will still have to pay their Squash BC membership dues in August (if applicable).
